Activity Book

Adventures of Nino & Tenna
CATCH-UP PANTS

Story by Ethan & Jonah Herald
Written by Brian Herald
Illustrated by Ricky Audi

About this story:

Ethan and Jonah love telling stories. And I mean, LOVE telling stories. The idea for Catch-Up Pants started when Ethan told a story about his imaginary friend Nino running fast to catch-up to other runners. We brought the idea to Jonah and the three of us workshopped it a bit. In this story, Nino, Tenna, and Puppy Dog visit a nearby track and learn about all sorts of track-and-field events. If you think nothing exciting happens at the track and field, you're in for a big surprise! Enjoy!

A special note to readers:

You may notice that Nino, Tenna, and Puppy Dog look a little different in this story than others in the series. That's because Ethan and Jonah wanted to see a new look in their story. These characters were created in their imagination, so they look however Ethan and Jonah say they look at the time!
